

## American Lincoln Part

American Lincoln Parts - Presently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are known in the business as providing durable and strong machines which suits all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln can provide machinery, parts and warranty service for these scrubbers that carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where results and efficiency matter. Lately, this particular floor scrubber model has been utilized by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on location due to the model's supreme performance level and excellent quality for polishing concrete.
